Parishes can gather for Mass on Sundays and weekdays, Baptisms Weddings and funerals too can be celebrated in church albeit in simpler forms, fewer people and in compliance with regulations

We will have to observe social distancing, spaces in church will be limited, and some of our familiar rituals and ways of doing things in church will need to be different. There will be stewards at each church to direct what we need to do.

Stewards will need to take a register of parishioners attending in case of a COVID-19 notification.

We remain in a stage of transition and the dispensation from attending Sunday Mass still holds. It will take time to get back to normal practice. This particularly applies to anyone who is feeling unwell, shielding or caring for someone in a vulnerable group you are not under an obligation to come to Mass.

Participation in Divine worship and Liturgy is our privilege. It is ours not by right but by gift. These restrictions we experience are a consequence of us being citizens of a **broader society, for whom** we have a profound concern, and to whom we have a Divine Mission.

Call Out for Readers

Are there any parishioners that would be willing to join the Readers rota at Sunday 10.45am Mass. Please let Fr Jim know.

CAFOD Coronavirus Appeal

These are difficult times. Many of us here in the UK have suffered terribly because of coronavirus, coping with grief, anxiety and hardship. In the world's poorest countries, health care systems are not coping with the coronavirus and families are going hungry because people cannot go out to earn money. CAFOD is helping protect and improve the lives of our sisters and brothers during this global emergency. If you are in a position to support our Coronavirus Appeal, you can donate at www.cafod.org.uk/coronavirus or CAFOD appeal telephone number is 08085 858885 Thank you.

CAFOD Petition: Unite against coronavirus:

Please sign our petition:

We are urging the Prime Minister to work with other world leaders and help developing countries with their coronavirus response. There are practical, concrete actions they can take such as making sure any vaccine developed with UK public money is made available to everyone. Your voice matters more than ever. We are one global family. Governments of richer countries can protect the most vulnerable and marginalised people, but they must act quickly.
