CAFOD Harvest Fast Day Appeal will be managed in line with Covid safety measures & as such, raises concern that we can raise the usual generous funds that CAFOD rely on, from our two annual appeals - so if any parishioner has any idea's on how our parish or school can fund raise over "Our Summer of Hope" (please see our CAFOD website for full details) & in the Autumn season, please just let me know asap! Kindest regards, Hayley 07503 159600

NEW NHS 'TEST & TRACE' PHONE APP – On the 24th September, the NHS began to roll-out its new Test & Trace phone app, which is for use on smartphones (with Bluetooth enabled). When you arrive at a venue you simply scan the Q.R. code near the entrance to record your attendance. If a notification is subsequently sent to an app user, it will not mention the name of the particular venue, just that the user has recently been to a place where they spent fifteen minutes or more, close to someone who has subsequently tested positive for coronavirus. Details of the privacy safeguards used are readily available on the internet. If you do not check-in with your phone at church, you will still need to do a manual check-in (i.e. name on a list).
