Statement from Father Jim: Whilst regretting the ban on collective worship, the Bishops call us to come and pray at the times your parish has already organised is welcome. We already know there are people with Covid-19 in our communities and the vulnerable need to be protected. We can't afford to be complacent. Schools in our area have been closed (fully or partially) because staff are shielding. Our school has been blessed so far that it has not been badly affected, but it has taken a lot of hard work and dedication by our Headteacher and her team. Below is the statement from the Catholic Bishop's Conference:
