Today 17th January is Peace Sunday - Extract from Pope Francis' Message for World Day of Peace 2021

"As Christians, we should always look to Our Lady, Star of the Sea and Mother of Hope. May we work together to advance towards a new horizon of love and peace, of fraternity and solidarity, of mutual support and acceptance. May we never yield to the temptation to disregard others, especially those in greatest need, and to look the other way; instead, may we strive daily, in concrete and practical ways, "to form a community composed of brothers and sisters who accept and care for one another".

Please pray for the people of the United States at this difficult time. During World War II our parish played host to thousands of American servicemen and benefitted from their generosity, so please remember them now.

Bernhard Rudd RIP: It is with sadness that we must report the death of Bernhard Rudd, a parishioner at Holy Family for many years. Please keep Bernhard's family in your prayers. May he rest in peace.

Armchair Retreats: Denis Blackledge SJ, Jesuit Parish Priest of Saint Francis Xavier's Church in Liverpool delivers a series of armchair retreats. Each week Fr Denis chooses a couple of scripture passages to break open the living word in a homely way to give fresh encouragement, and deepen the daily living of folk as friends and followers of Jesus. Some of you may remember Fr Denis when he was Parish Priest at St Wilfrid's church in Preston.

Coronavirus (COVID-19) At this moment in time, the government has no intention of closing places of worship. Advice has been received that each parish priest should make a considered decision regarding public worship in his church(es). Therefore, until we are told otherwise by the Diocese we will continue to have private prayer and Masses. Stewards will be extra vigilant in following strict guidelines in that:

- a) People use hand sanitisers
- b) People wear masks as soon as they enter church
- c) Remind social distancing appropriate
- d) Make sure people leave bench by bench
- e) Need to ventilate more
