Guidance for Communal Worship during the COVID-19 Pandemic

As of 17 May 2021 we are at Step 3 of the
Government's COVID-19 Response Roadmap. The
guidance is active from this date. Visit:

<https://www.cbcew.org.uk/>

1. **Face coverings** Use of face coverings remains a
legal requirement at the present time.
2. **Offertory procession** can take place, those involved
sanitising their hands before.
3. **Communion** in the hand recommended; however,
Communion on the tongue can take place, so long as
those who wish to receive on the tongue are at the
back of the queue. Not recommended if there is a
local surge in infections.
4. **Sunday collection** may take place with volunteers
holding the basket and moving around church (but not
baskets passed-around the congregation).
5. **Stewarding** requirement dropped for weekday Mass
and private prayer. Stewards only needed on Sundays
and major services (and possibly larger funerals).
Cleaning of benches required.
6. **Capacity:** Some flexibility in the assessment of safe
capacity of a church (e.g. possible to safely drop to
1m+ with mitigation).
7. **Track and Trace** remains in place, though on
weekdays, those visiting church need to take personal
responsibility for signing-in either on the sheet or on
the NHS QR code displayed at the back of church.

CAFOD Thanks to your support, CAFOD has been helping
communities around the world cope with the pandemic.

Just in Zambia, in the past year, our reports show we've
been able to reach 1,234,200 people with messages on
COVID-19, provide 13,312 people with access to safe
water, train 392 frontline health workers from Zambia's 11
dioceses on how to prepare and respond to COVID-19 in
their local communities and donate over 1000
handwashing hygiene stations in communities to support
handwashing measures. Thank you for standing alongside
people in Zambia and for supporting people in more than
30 other countries worldwide.

With our thanks, best wishes and prayers,

Patrick Gardner & Emma Nolan
