**Guidance for Communal Worship during the COVID-19 Pandemic** As of 17 May 2021 we are at Step 3 of the Government's COVID-19 Response Roadmap. The guidance is active from this date. Visit:

<https://www.cbcew.org.uk/>

1. **Face coverings** Use of face coverings remains a legal requirement at the present time.
2. **Offertory procession** can take place, those involved sanitising their hands before.
3. **Communion** in the hand recommended; however, Communion on the tongue can take place, so long as those who wish to receive on the tongue are at the back of the queue. Not recommended if there is a local surge in infections.
4. **Sunday collection** may take place with volunteers holding the basket and moving around church (but not baskets passed-around the congregation).
5. **Stewarding** requirement dropped for weekday Mass and private prayer. Stewards only needed on Sundays and major services (and possibly larger funerals). Cleaning of benches required.
6. **Capacity:** Some flexibility in the assessment of safe capacity of a church (e.g. possible to safely drop to 1m+ with mitigation).
7. **Track and Trace** remains in place, though on weekdays, those visiting church need to take personal responsibility for signing-in either on the sheet or on the NHS QR code displayed at the back of church. To assist stewards cleaning, please place a laminated card 'Bench to be Cleaned' on the bench you sit at.
8. **Home Visits:** A reasonable number of home visits per day with Holy Communion can take place, including by extra-ordinary ministers.
9. **Funerals** - mourners can attend up to the church's safe capacity. The 30 person rule is dropped.
10. **Baptisms** - standalone baptisms with up to 30 persons can take place.
11. **Weddings** - up to 30 persons present (30 includes the couple, but not anyone 'working' at the event).
