Guidance for Communal Worship during the COVID-19 Pandemic – Step 4 Although most legal restrictions relating to the Covid pandemic are ending on Monday 19th July, a degree of caution is still needed to protect the vulnerable in the parish. A summary of guidance from the C.B.C.E.W is below. Full details can be found at <https://www.cbcew.org.uk/> OR <https://www.gov.uk/guidance/covid-19-guidance-for-the-safe-use-of-places-of-worship>

1. **Track and Trace:** although no longer legally required, it has been strongly encouraged that we continue to "check in" with the NHS QR code poster via the NHS COVID-19 app or on the 'logbook' as you enter church.
2. **Face coverings:** should still be worn by all those coming to a church service (exemptions for medical reasons excluded.).
3. **Social distancing** will not be mandatory in our churches. However larger churches might consider still keeping some social distancing in place.
4. **Hand sanitising** will remain necessary on arrival.
5. **Cleaning of benches:** not required unless two services held on the same day.
6. **Holy Communion :** In the hand should be restored to its traditional place and with a Communion procession (trying to accommodate those who wish to social distance). Stewards will instruct benches row by row. Holy Communion under both kinds will not be re-introduced at this time.
