CAFOD responding to multiple emergencies across the world: CAFOD is responding to significant crises across the world this week. We are working with local Church organisations in Haiti to deliver emergency aid to people affected by the catastrophic earthquake and tropical storm. In the tragic situation in Afghanistan, we are working to ensure the safety of our local partners and their communities. We are supporting local aid workers to deliver urgent food and water supplies to hundreds of thousands of people facing extreme hunger in Tigray in Ethiopia, South Sudan and north-east Nigeria. You can read more about how we can all express solidarity with our sisters and brothers affected by these emergencies on the CAFOD website: <https://cafod.org.uk/News/Emergencies-news>. Your compassion, generosity and prayers have helped us to stand together and enable us to continue to support communities in these difficult times. Thank you.
