CAFOD Appeal: The people of Sudan need our help urgently. Cafod are launching an emergency appeal for donations to get aid to them on the biggest scale we can muster.

When violence broke out last year in Sudan between government and paramilitaries, most aid agencies evacuated. Now, humanitarian workers are struggling to get back into Sudan to help, meaning severe delays in getting aid to the people, and the challenges of getting into areas where fighting is still going on remain. Details of the campaign are on the Cafod website: <https://cafod.org.uk/>

Thank You Today is my last Sunday in our parishes before I move on to the Cathedral. I would like everyone for their support and prayers during my time as your parish priest. It is sad that it has been so short but I have learnt a lot during my time here, and have hopefully contributed something to the Christian community here. Thank you also to those who have sent kind cards and gifts over the last few weeks. Please keep me in your prayers as I take up my new apostolate.
 Fr John
