CAFOD Appeal: The people of Sudan need our help urgently. Cafod are launching an emergency appeal for donations to get aid to them on the biggest scale we can muster.

When violence broke out last year in Sudan between government and paramilitaries, most aid agencies evacuated. Now, humanitarian workers are struggling to get back into Sudan to help, meaning severe delays in getting aid to the people, and the challenges of getting into areas where fighting is still going on remain. Details of the campaign are on the Cafod website: <https://cafod.org.uk/>
