First Confession/Holy Communion 2026 and onward. In consultation with our primary school and taking note of the practice in our neighbouring parishes, I am changing the age at which children can be prepared for First Confession/Holy Communion to Year 4 of school life. It means that the children will be a little more age mature in approaching these sacraments, and hopefully, if their family are not currently supporting them in their Catholic life, also giving the family a chance to refocus and recognise the importance of giving this support. Consequently for this year 2026 there will not be a Mass of First Holy Communion in Holy Family parish. Children will continue to be prepared after the school day within our primary school but not until next year 2027. *Fr Stephen.*
